

CareTech

CareTech Group Executive Director, Shokat Akbar, invited to speak at the prestigious Laing Buisson Innovation in Care Conference 2022

The Laing Buisson Innovation in Care Conference 2022 took place on the 2nd of March at The Eastside Rooms in Birmingham.

Shokat joined an expert panel of thought leaders as they discussed the latest developments in innovation and technology to transform the social care sector, and the opportunities and barriers to overcome to go further and faster.

Shokat is a Group Executive Director at CareTech Holdings PLC and leads on strategic and corporate initiatives including shaping the

Group's innovation and technology strategy which has the ambition to reach a million people cumulatively by 2030 through digital solutions across the care continuum, improving the quality of life and opportunities for people with disabilities and complex needs, in the UK and globally.

The Innovation in Care Conference is an annual event for sector leaders to discuss insights on the future of care. Key speakers and organisations participating included Gillian Keegan MP, Minister of State for Care and Mental Health; CareTech, TSA; Care England plus many others.

We would like to thank Shokat Akbar for representing CareTech and Laing Buisson for inviting us.
