

Arts & Craft Exhibition 2020

In an exciting international collaboration, two of the leading pioneers of the specialist social care and special education needs sector will unite to deliver an Arts & Craft Exhibition displaying the talent and creativity of people of determination.

The UAE based **Zayed Higher Organization for People of Determination** and UK publically listed company **CareTech** are collaborating to host this first international exhibition.

The theme for the inaugural joint Exhibition aligns to the vision of Expo 2020 and incorporates the values of **Tolerance** that both organisations hold dear.

With the UAE recently celebrating the **'Year of Tolerance'**, and building on the 2019 Special Olympics World Summer Games held in Abu Dhabi, there is no better time to join creative forces on this exciting initiative.

CareTech has held an Arts & Craft contest for the past 5 years. This year promises to be the biggest to date, with the ultimate goal of having service users from both organizations display their amazing work in greater London, Abu Dhabi, and Dubai during Expo 2020.
