HAVE YOUR SAY

The CareTech Group Staff Survey 2020

We are delighted to let you know that our CareTech Staff Survey, "Have Your Say" for 2020 has now been launched.

The Survey will be open for 6 weeks so that as many people as possible can complete it. You will be able to do it online or on paper – whichever is easier for you.

Posters and the paper version of the Survey will be sent to each Service and Site. Please just let your Manager know and they will be able to provide a paper copy for you to complete.

If you would like to fill in the survey online, please use the camera on your phone to line up the QR Code on the Poster or the Postcard, (also available from your Manager), with the square on your screen and a link will appear which will take you to the Survey. Alternatively, if you'd like to access the Survey traditionally via a website, the link is also available on the postcard.

The Survey is open to everyone who works within the CareTech Group. We would love to hear about your experience with CareTech, the things we do well and what you think we need to work on.

There is also the chance to win one of 40 fantastic £50 Gift Cards when you have completed the Survey. You can do this by filling in the paper voucher in the booklet and returning it to the address detailed. There is a voucher in each paper survey and additional ones available for those who have completed the Survey online and would like to enter.

Once we have looked at all your responses, we will be able to start planning some practical solutions to the things that you feel are important for us to focus on.

We know that your feedback and ideas will, in turn, be of great benefit to all our Staff, Service Users, Young People, Children and everyone we support. So please, "Have Your Say" and let us know your thoughts.
