

## Cragside, Huddersfield

Cragside is an innovative, registered service for five individuals. Situated in Huddersfield for people with learning disabilities, autism, highly complex needs and challenging behaviour. The accommodation is provided to a high specification within an extensively refurbished Victorian property over three floors and is composed of five large individual apartments, each consisting of a good-sized lounge, fully-fitted Kitchen, Bedroom with views over the Yorkshire Moors, and a modern Bathroom or Wet Room/Shower room. The service is aimed to meet the needs of people who are leaving hospital assessment and treatment services and is provided by a core staff team, waking night staff, and individual support hours.
