

## LaingBuisson Award

ROC Northwest are the proud winner of the LaingBuisson Award for Children's Services 2017. LaingBuisson are industry leaders in market research and reporting of in depth analysis of key markets within the health and social care sector, coupled with their expert policy insights from their independent cross-party Westminster think tank and public policy projects. ROC Northwest fought off a considerable amount of competition from other private sector child-care organisations for this award.
